

- Providing a single point-of-contact to the client for all vending requests and service issues.
- Providing centralized client reporting and website access.

All vending partners undergo a one-time no-cost qualification process that verifies insurance and licensing requirements. We will ask you to provide information on the services you provide to include geographic coverage and technology capabilities.

National Vending is one of the largest vending management companies in the United States and we are looking for qualified vendors in your area to partner with us on new and existing opportunities. We are seeking high quality and long-lasting business partners that base their services on the following core principles:

Our service model is based on developing long-lasting vending partners where prompt service, fresh products, service-oriented route drivers and timely commission payments are the norm. Knowing you work with a company that holds the same values as yours assures a long-lasting mutually beneficial partnership. Our goal is to develop strong working relationships with our vendor partners and collaborate with them to secure new clients and premium locations in their service areas.

- Have a core competency in the product and services they provide.
- Create a value added service model through innovation and responsive service.
- Provide complete integrity and transparency.
- Have a positive track record.

Would you like to develop business opportunities without the hassle of lead development and account management? If so, please contact us to request more information by phone at (866) 836-3464 or email at info@nationalvending.com.

National Vending is the single-point-of-contact for national and regional clients, serving thousands of properties and vending machines across the United States and Canada. We alleviate our vending partners of the following administrative tasks so they can focus on providing great service and growing their businesses:

National Vending is a certified woman-owned business and subsidiary of The Wittern Group, a third generation family business that started in 1931. The Wittern Group has evolved from a vending manufacturer to a successful and diverse group of companies with involvement in every aspect of the vending industry. The Wittern Circle of Services provides a number of products and services to meet the needs of almost any vending business.

- Development of regional and national opportunities and RFP submissions.
- Negotiating and contracting profitable vending services where mutual benefits are achieved and appreciated.
